

Owen Fitzgerald
Product Analyst
owen.fitzgerald@example.com | Dublin, Ireland

SUMMARY

Product analyst with 4 years turning usage data and experiment results into product decisions for consumer SaaS teams.

SKILLS

SQL, Python (analytics scripting), Looker, experimentation, statistics

EXPERIENCE

Product Analyst, Larkspur Software (2022-Present)

- Built Looker dashboards tracking activation and retention metrics used in weekly product reviews.
- Designed and analyzed A/B tests in Python, informing the redesign of the onboarding flow that lifted activation 12%.
- Wrote complex SQL queries against the event warehouse to answer ad hoc questions from product managers.

Junior Product Analyst, Hollybourne Digital (2020-2022)

- Maintained SQL-based reporting for core product usage metrics.
- Supported experiment design and analysis for the growth team.

EDUCATION

B.Sc. Economics, Trinity College Dublin
